RAPID-VEYOR PMC:

CART HOLDS 100'

Optional cart makes our PMC conveyor truly portable. We offer a variety of wheels for your surface needs.

It also allows you to store 100' of conveyor in a footprint of ~13'x2'

VARIABLE SPEED FWD/REV

- PMC available 12.5' or 20'* lengths
- Requires 120VAC
- Variable speed, FWD/REV
- 12" wide bed, 10" wide belt
- Rated 800lbs live load over 100'
- 100' package = 1 drive + 7 sections
- Aluminum bed
- V-Groove belt
- Rubber coated pulleys

*20' sections are special order

NO STANDS REQUIRED

IN THEIR OWN WORDS:

David says: *"Assembled 100 ft in 20 minutes and was able to get a full day's use out of it. GAME CHANGER in moving plant product. Easy to operate, add on, and best of all made in the USA!"*

*This is an actual social media customer review.

"Why did I wait so long to purchase a RAPID-VEYOR? I can't imagine life without it!"
- Customer

RAPID-VEYOR PMC OPTIONS:

CORNERS ARE EASY!

OUTSIDE CORNER KIT

POWER DIVERTER ARM

INSIDE CORNER KIT

We offer several ways to move product around the corner, each with its own set of benefits. Easy set up makes for improved productivity!

Our available DROP-IN-DRIVE is unique to RAPID-VEYOR!

- Simply attach to any non-motor section and you've got a powered conveyor. Allows versatility to gain the most use of your conveyor.
- Variable speed, FWD/REV, requires 120VAC
- Available for above or below the bed.
- "Above" version allows bed to sit directly on the ground, also more horsepower than "below" version.
- "Below" version requires conveyor on stands.
